AMO Year End Banquet a Huge Success. Bring on 2016!!!

AMORacing.com is open for business. The 2016 season is fast approaching and AMO is ready to go. Our schedule is 100% confirmed with all our amazing tracks. Our memberships are available. We have some amazing new sponsors and plans coming. For this season aligning ourselves with MMRS, and supporting TVR members at ANQ events have folks excited to go racing. “We’ve worked hard to lose the negative vibe Ontario has had for the past few years,” shares AMO President Ryan Gauld. “We know what the people need, we know what they want, we know what makes a race day run smooth, and AMO will deliver from top to bottom. The banquet celebration was proof of that. Over $25,000 was given away on Saturday night as well special awards for deserving young racers. Making people feel part of something great is what AMO is all about.”

ZDENO Cycle SINCE 1969

On Saturday night, the announcement of the ZDENO Cycle “factory Ride” for 2017 was big news. We are extremely happy to support AMO racing for the next two years,” says ZDENO Cycle Owner Linda Reinhart. “We were very happy with what we saw in 2015, so when the announcement was made AMO would be on its own; we knew it was a perfect fit for ZDENO to help support something on the rise. The ZDENO “Factory Ride” will be the first of its kind in Ontario for AMO racers.”

The ZDENO “Factory Ride” is a support program that takes effect for the 2017 season. Classes eligible for the grand prize of a brand new 85cc bike to use for the 2017 season are 65cc 7-9, 10-11, 85 7-11, and 85 12-16.
To win, you must be an AMO member.
More details will be released closer to the race season on the lottery system we will use to pick a winner, but know ZDENO and AMO are making racing better for you in 2016. You invest in us, we invest in you!!

GPF
GEORGIA • PRACTICE • FACILITY

In addition to the program for 2016, GPF (Georgia Practice Facility) will give one free week to the winner of “Rider of the Year.” Austin Watling was the winner of this award in 2015.
There is much more to come from AMO as we fast approach the 2016 season.

We have goals at AMO and we need your help to reach them. Once we do we have some amazing gifts to give back in return for your support in 2016:
