OTSFF Group Brings Amazing Support to Rising Yamaha Stars from AMO/MMRS

Where there is unity there is always victory!

Every week AMO/MMRS goes out and tries to bring more to the membership to make it easier to join our family when the gate drops in 2017. We now welcome OTSFF Group as another supporter of the refreshed agenda AMO/MMRS provides. “This is a really great idea for Yamaha racers that support AMO/MMRS,” shares a very appreciative AMO President Ryan Gauld. “The OTSFF Group did something similar for close friends of theirs last year so I reached out to see if they thought it would work for our program. They jumped on the idea.”

“The OTSFF Group is always looking for fresh ideas to help keep our name at the grass roots of motocross,” shares OTSFF President Andre Laurin. “When Ryan approached us, and from what we have seen, and heard over the last year, this was an easy fit for us to support.”

New for 2017: (more to come)

OTSFF Group will support with:

- The top two Yamaha mounted (no matter the class. The two highest points earning racers) riders from the Atlas Brace Super Series will be able to pit out of the Factory Rockstar Yamaha OTSFF rig at the Ontario rounds of the Rockstar Energy Canadian Arenacross tour (schedule to be released soon)
- If either or both of the racers travel to the other rounds they will be welcomed to pack their bike, gear bag, and tool box to be transported in the Factory rig to race outside of Ontario (schedule to be released soon. Racers will have to cover their own travel expenses to and from events: Flights, hotel, rental car, etc).
