WEEKEND PRACTICE & RACE FORMAT

In an effort to reduce injuries and speed up race day by having less ambulance calls,
AMO/MMRS is offering practice time on Saturdays at the same track as the Sunday races.

The Saturday prior to a race event will be an open practice. Groups will be split according to ability
as necessary.
These practice days are a great opportunity to learn the track and get some seat time before race day.

The MX Tykes will have their practice and moto immediately after the regular practice at approx.
4:00 p.m. Please note that the MX Tyke's classes for children with no race experience and / or are
beginner riders just learning to ride and will not race in regular race programs.
There is no entry fee for the Tyke's class. Training wheels are allowed.

There will be a 3 lap practice Sunday morning for all the classes.
