sARL Track Day Events

Policies

Cancellation Policy

If you have to cancel your reservation to any ARL track event, ARL is pleased to make the following concessions:

A) 30 days or more prior to the event we will provide 100% credit to any other ARL event (space provided)
B) 14 to 29 days prior to the event we are pleased to reimburse 50% in the form of a credit to any other ARL event .
C) Less than 14 days prior to the event no cancellation.
D) Track event reservations are NON-TRANSFERRABLE. No exceptions.

Skill Group Policy

At ARL, safety is our first concern. We typically offer three riding groups for our track day events:

Group 1 (novice) for new people to the track environment or those looking for a more relaxed pace.
Group 2 (intermediate) for riders that have previous track experience or riders that are comfortable at an increase speed.
Group 3 (advanced) this is for very experienced track riders or racers that are comfortable at a very fast pace.

Passing is allowed in every group. It is the responsibility of the passing riders to make a safe overtake. Unsafe riding will not be tolerated.

It is the responsibility of the rider to group themselves in an appropriate group.

Severe Weather Policy

If severe weather condition prevents on-track activities from taking place, the following procedures are followed.

ARL will determine whether on-track activities will be held on the morning of the event. The announcement to cancel, if any, will be made during a riders meeting at trackside no later than 11am of the event.

In the event of cancellation:

A) If no on track activity has taken place:

1) Riders who have signed in will receive a 100% credit towards any other ARL event (space provided).
2) Riders who have not signed in will receive no credit.

B) If on track activity has taken place:

1) Riders will receive no credits.
2) ARL will make every possible effort to restart on-track activities as soon as condition allows.

Decibel Level Policy

Many race tracks have a decibel level requirement that you must abide by. ARL does not check noise levels during tech. **IF TRACK** officials flag you for excessive noise and you are unable to bring your machine into compliance, your day will be forfeit with no credit.

Waiting List Policy

Waiting list is for pre-registration period only.

Rule Infractions / Dismissal

There will be no refunds or credits issued if you are dismissed from the event due to rule infractions

Rules

Each participant must be aware of all rules and policies for ARL events.

- Rider's meeting is mandatory, no exceptions.
- All motorcycles MUST pass technical inspection

prior to entering the track surface. Technical

Requirements Include:

1. Tires and brakes must be in good condition.
2. All glass, headlights, taillights, turn signals, and plastic lenses must be taped over or removed. The head and tail lights must not visibly shine through the tape. It is recommended that head and tail light fuses be removed.
3. Side mirrors must be removed. Taping over of mirrors is not permitted
4. We recommend, but do not require, removal of centre or side stands. Bikes with side stands should have strong springs to insure that the kickstand cannot come down accidentally.
5. All machines must have an operational handlebar mounted kill switch/button and self-closing throttle in good working condition.
6. All motorcycles MUST use water instead of antifreeze type coolant (Water Wetter & Distilled water is recommended). This is non-negotiable and includes the liquid contained in the reservoir.
7. Sprockets must be in good condition and chain wear must not be notable.
8. It is recommended that oil drain plugs and brake caliper mounting bolts are drilled and lock wired.
9. All motorcycles MUST display the tech sticker on the front of the motorcycle.
10. All Riders must wear appropriate riding gear. Full one piece or two-piece (zip completely around) motorcycle leather suits or Kevlar only construction suits allowed.
11. All riders must wear full-face helmets that are designed for motorcycle use. Snell2000 or newer helmet, in good condition and proper fit for the rider, is mandatory.
12. All riders must wear Leather gloves that are in good condition and cover the wrist. (Short gloves are not permitted.
13. All riders must wear boots that extend above the ankle.
14. The consumption of alcohol or cannabis during the hours of track day operation is strictly prohibited. This rule applies to both riding participants & their crew, family and friends. Anyone found to be consuming alcohol or cannabis will be asked to leave the grounds.
